

Join the New Hampshire Building Officials Education Foundation For an ICC B1 Test Academy

Preparing to earn your ICC certification can be intimidating. NHBOEF is helping you prepare for your examination by providing you with effective study tools. Join your colleagues for this dedicated exam preparation opportunity!

What is the B1 Test Academy: The Residential Building Inspector (B1) Test Academy is designed to assist you with taking the ICC B1 Certification Exam. This 3-day event will cover in detail the topics of the exam. Throughout the academy you will be given an opportunity to answer questions that reference the exam resources.

What to Expect: Depending on your experience level, you may choose to take the exam immediately after the academy. You may also choose to make the academy part of a longer study plan and take the exam any time within the next year.

Who would benefit from attending: Code Professionals, Contractor Trades Professionals, or anyone wanting to enter the profession with the bonus of an ICC Certification on their resume! NHBOA members receive special pricing. You do not have to be an NHBOA member to attend!
